

How to Destroy the Constitution

Effective little image blast on the politics of fear{youtube}eIbNymjsDvA{/youtube}

Disclaimer: This video was apparently produced by or for the Ron Paul presidential campaign. Neither the "PTWC" summit nor its organizers and endorsers will be using this event or website to promote any specific party or candidate, but we will from time to time include certain campaign generated media pieces that effectively illustrate deft media technique or some aspect of our core concerns. These do not imply an endorsement of any candidate. They merely acknowledge the media craftsmanship involved. - Ed.
